- 2) Send six bottles/cans of each beer/cider entered. Ensure all boxes are labelled with **CANADIAN BREWING AWARDS, COMPANY NAME, PRODUCT NAME, and CATEGORY NAME.**
- 3) It is your responsibility to ensure all beers and ciders are packed tightly in shipping boxes to avoid breakage. We strongly suggest you wrap each bottle securely in bubble wrap. If entering more than one product, you may ship them together; however, please separate the samples by category within the package and label accordingly.
